Borgess EGD prep instructions

NAME: «Pt_Full_Name»

DATE: «Appt_Date»

Arrival Time: _____

PROCEDURE: EGD (Esophagogastroduodenoscopy)

AT LEAST 48 HOURS PRIOR TO YOUR PROCEDURE, CALL (269)349-8930 WITH YOUR INSURANCE CARDS AVAILABLE TO REGISTER. FAILURE TO REGISTER WILL PREVENT US FROM BILLING YOUR INSURANCE. THIS PHONE NUMBER IS FOR REGISTRATION ONLY.

You have an appointment with «Appt_Prov_Full_Name» at Borgess Hospital.
The appointment time and date appear above.

Please register at the desk in the Atrium on the ground floor off the ramp.

****bring a medication list with you****

Should any problems arise, if you must cancel your appointment, or have any questions, please call our office at **(269)349-2266** between 8:00 am to 5:00 pm.

YOU MUST BE ACCOMPANIED BY A RESPONSIBLE ADULT TO DRIVE YOU HOME UPON DISCHARGE.

Have no solid foods or dairy after midnight the night before your procedure. You may have clear liquids until _____ the day of your procedure.

Please bring a list of present medications and drug allergies. Please contact us if you have an allergy to latex products.

Please stop eating all indigestible foods such as corn, seeds and popcorn at least 5 days prior to your procedure.

THE LIQUIDS LISTED BELOW ARE ALLOWED DURING THE PREPARATION.

Consume nothing with red dye

Coffee-NO CREAM	White cranberry juice	Jell-O (no red dye)	Bouillon
Tang	White grape juice	Ginger Ale	Gatorade
Tea	Apple Juice	Popsicles (no red dye)	Clear Broth
7-UP	Cola Products	Orange Juice, no pulp	Hi-C

Because of the sedation you will receive for the procedure, you will need to avoid driving, drinking alcoholic beverages, operating power machinery, using sharp instruments, and making critical decisions.

MEDICATIONS

- 1) INSULIN Reduce the A.M. dosage by 1/2 on the morning of the procedure.
- 2) COUMADIN or other anticoagulants. **STOP** five (5) days prior to procedure.
- 3) PLAVIX OR PLETAL **STOP** seven (7) days prior
- 4) ANTI-INFLAMMATORY DRUGS **DO NOT** take day of procedure.
- 5) IRON SUPPLEMENT **STOP** five (5) days before the procedure.
- 6) ORAL DIABETIC MEDICATION **Take ½ the night before the procedure, and none the morning of the procedure.**

****All other medications may be taken as directed****

*****Special billing notification*****

Concerning multiple billings in conjunction with your procedure.

Please take note when an outpatient procedure is performed at a facility you will receive billings from the facility AND the physician. If pathology is done you will ALSO receive billings from Bronson or Borgess for handling the specimen, ALSO from the pathologist for processing and reading.

KNOW YOUR INSURANCE

Some insurance's require pre-certification for inpatient and outpatient procedures. The procedure you are scheduled for is an outpatient procedure. Please check with you insurance carrier to determine if you need pre-certification. If you do not obtain pre-certification and your insurance requires it, the cost of this medical procedure may become your financial responsibility.

Thank You.
