Colonoscopy Bowel Preparation Miralax Preparation

NAME: «Pt_Full_Name»

Your colonoscopy is scheduled on «Appt_Date» with «Appt_Prov_Full_Name».
Please arrive at: _____ AM / PM to the Borgess Hospital Atrium on the ground floor.

If you have any questions or must cancel, please call our office at 269-349-2266 during the hours of 8:00am to 5:00pm.

YOU MUST BE ACCOMPANIED BY A RESPONSIBLE ADULT TO DRIVE YOU HOME UPON DISCHARGE.

About the Colonoscopy

Bowel preparation (cleansing) is needed to perform an effective colonoscopy. Any stool remaining in the colon can hide lesions and result in the need to repeat the colonoscopy. You should plan on being at the facility for 2-3 hours. **It is critical that you follow these written instructions as directed and not the instructions on the prep box.**

The physician will discuss your procedure and results with you when you are in the recovery room.

Every effort will be made to keep your appointment at the scheduled time, however with outpatient or ambulatory procedures, unexpected delays and emergencies may occur and your wait time may be prolonged. We give each patient the attention needed for his or her procedure.

What to bring:

1. The completed enclosed forms (if you did not mail them back ahead of time).
2. The first and last name of all doctors you want to receive a copy of your procedure report.
3. Someone to drive you home. Sedation is usually given during your procedure. **If you have not arranged for someone to drive you home, your procedure may be cancelled.** The person responsible for you is asked to stay in the waiting room the entire time of your stay. If they cannot, the driver must come into the center and receive pick up times from the registration clerk. You will not be able to drive, operate machinery, make important decisions or return to work for the rest of the day. You may resume normal activities the next day unless the doctor states otherwise.
4. A copy of relevant medical records from your referring physician.
5. **Your Photo ID & Insurance cards.** If your insurance has changed since your appointment was scheduled, please contact us immediately. Many insurance carriers (not Medicare) and managed care organizations require preauthorization for precertification. To obtain coverage for these procedures, we recommend you contact your insurance company. The phone number is usually on the back of your insurance card. If you need assistance, please call our KEC coordinator at 269-488-3685.

What to wear

Wear comfortable, loose fitting clothing that is easy to step into. Wear flat shoes or tennis shoes. Do not wear jewelry or bring valuables.

Please bring a list of present medications and drug allergies.

Medications

1. **Insulin** – Reduce the AM dosage by ½ the morning of the procedure.
2. **Oral Diabetic medication** – Take ½ the night before the procedure, and none the morning of the procedure.
3. **Coumadin** – Stop 5 days before the procedure. **Please contact our office for instructions 269-349-2266.**
4. **Plavix or Pletal** – Stop 7 days before the procedure. **Please contact our office for instructions 269-349-2266.**
5. **Anti-inflammatories** – DO NOT take the day of the procedure.
6. **Iron Supplement** – Stop 5 days before the procedure.

**The clear liquids listed below are allowed during the preparation
(consume nothing with red dye)**

Coffee (no cream)	White Cranberry or grape Juice	Jell-O	7-UP	Boullion / Clear Broth
Tea	Apple Juice	Popsicles	Ginger Ale	Cola products
